## WORK EXPERIENCE

2005 - 1998 Geriatric Program and Medical Social Work Consultant, Pasadena CA

Private consulting practice to hospitals and nursing homes in Los Angeles, Orange, Riverside and San Bernardino Counties.

Clients included Brotman Hospital Medical Center, Pleasant Care Corporation, Sun Health Care plus several individually owned skilled facilities such as Downey Community Health Center that serves both the mentally ill and geriatric patients.

2005 – 2006 Clinical Director, City of Angeles Hospital Medical Center, Los Angeles, downtown and Inglewood Campuses – medical and psychiatric supervision of 8 social workers and 5 social work assistants – clinical internship training for first year graduate Social Work students.

2003 - 2005 Supervised the Social Service Department for Victor Valley Community Hospital and rewrote department policies and procedures

2000 - 2003 East Valley Hospital Medical Center  
Program and Clinical Director of Geropsychiatric Services (2000 - 2002)  
21 bed inpatient unit, 40 person PHP and OP programs

I successfully transitioned these programs from a contract company to hospital-controlled programs that required hiring and training all new staff and maintaining community relations with all referral sources. I also developed internship training opportunities for both graduate and undergraduate students in the field of Social Work.

1994 – 1998 Horizon Mental Health Management, Louisville Texas

Program Director, California Hospital Medical Center, Los Angeles where I opened a 13-bed geropsychiatric unit which required the supervision of the renovation of the unit for opening in September 1987.

## DAN GUMBLETON

This required integrating the Department of Psychiatry into the hospital and developing marketing strategies for serving South Central and East Los Angeles.

Director of Clinical Services, Huntington East Valley Hospital, Glendora.

Supervised all clinical aspects of a 21-bed inpatient unit and a partial hospital program for 40 patients.

Reduced Medicare review from 100% to 15% and recovered more than one half million dollars in denied fees by redesigning chart structure and charting to meet the demands of the third party payers.

Developed marketing strategies for promoting the unit programs that included a successful Lunch and Learn series. CEUs were provided.

Established the Out Patient program to compliment the partial hospital program that helped to increase the profitability of the program.

- 1990 – 1994 Vice President – Executive Director, M. L. Webb Center for Abused Children, Glendale California
- Increased state funding by 50% and resolved an investigation by the state Attorney General's Office.
- 1989 – 1990 Associate Executive Director, GLASS, Inc. West Hollywood, California
